The American Saddlebred Horse and Breeders Association (ASHBA) is proud to announce the locations for the 2021 ASHA National Select Series Regional Championships presented by State Line Tack. The mission of the ASHBA National Select Series is to increase the value and experience of showing at ASHBA Star Shows for our members. The 2021 program improvements and new partnerships are allowing this program to better serve the entire horse show community.

"We are excited about the continued growth of the National Select Series program and our new partnerships with the American Hackney Horse Society and American Road Horse and Pony Association," said Executive Director, David Mount.

"This series will strengthen the show horse market by providing classes where horses and ponies of a relative level and members with similar goals can compete against one another," said Committee Chair, Bob Funkhouser
