

USEF PRESIDENTIAL MODIFICATION

EFFECTIVE AUGUST 10, 2022

TO ALL ROADSTER EXHIBITORS:

U.S. Equestrian Federation President Thomas F. X. O'Mara has approved the below Presidential Modification to the 2022 USEF Rule Book, applying to RD105.4. This change will be in effect during the 2022 Kentucky State Fair World's Championship Horse Show and remain in effect for the remainder of the 2022 competition year.

We encourage you to inform your exhibitors, owners, trainers and/or employees about this important change that is enacted to help ensure the safety of Roadster exhibitors and horses.

RD105 General

4. Any driver, rider, horse, or pony in the Roadster division exhibiting inappropriate or dangerous behavior or whose actions would in any way threaten the safety of any other exhibitor, their entries, or the safety of class officials ~~will~~ **must** be *immediately eliminated from the class ordered from the ring by the judge. When eliminating a driver, rider, horse, or pony due to inappropriate or dangerous behavior, the judge must call the class to a stop and excuse the relevant driver, rider, horse, or pony from the ring. Once the eliminated driver, rider, horse, or pony has exited the ring, the judge may resume the class. When showing a Roadster to Bike or Wagon, the driver must sit on the inside of the seat and hold the bight end of the reins in hand. When showing to the bike, both feet must remain in the stirrups while showing, except for while standing in the lineup. Any driver who fails to comply with the above will be considered to be exhibiting dangerous behavior as described above and must immediately be eliminated from the class by the judge. It is the judge's responsibility to ensure that safety requirements are followed at all times.* (~~See GR1033.11 and .12~~)

On behalf of ARHPA, we wish you a safe and successful show.

Sincerely,

James L. Nichols
President
